

(II) SATISFACTORY EVIDENCE OF COMPLIANCE WITH THE CONTINUING EDUCATION REQUIREMENTS SET BY THE BOARD UNDER THIS SECTION FOR LICENSE RENEWAL.

(C) CONTINUING EDUCATION.

(1) THE BOARD MAY ESTABLISH CONTINUING EDUCATION REQUIREMENTS AS A CONDITION TO THE RENEWAL OF LICENSES UNDER THIS SECTION.

(2) ANY REQUIREMENTS ESTABLISHED UNDER THIS SUBSECTION SHALL REFLECT CURRENT EDUCATIONAL METHODS AND CHIROPRACTIC TECHNIQUES.

(D) ISSUANCE OF RENEWAL CERTIFICATE.

THE BOARD SHALL RENEW THE LICENSE OF AND ISSUE A RENEWAL CERTIFICATE TO EACH LICENSEE WHO MEETS THE REQUIREMENTS OF THIS SECTION.

REVISOR'S NOTE: This section is new language derived without substantive change from Art. 43, § 508(a) -- except for the last sentence of that subsection -- and (b).

Subsection (d) of this section is standard language added to this and, where necessary, corresponding sections of other titles of this article. It states expressly a provision that presently is only implied in the law: i.e., that the Board has a duty to renew the license of a qualified licensee.

Also as to subsection (d) of this section, present Art. 43, § 508(a) refers to the renewal document as a "receipt" and present Art. 43, § 506 refers to it as a "renewal certificate". In this section and throughout this title, the term "renewal certificate" is substituted for "receipts" for clarity, uniformity, and to conform to the practice of the Board.

The Commission to Revise the Annotated Code has interpreted the law revised under this title as providing for a license that is not periodic -- i.e., the license does not expire automatically if the licensee fails to renew by the date specified. Rather, the license appears to continue in effect until the Board takes further action to suspend or revoke it. This interpretation is derived from the present law as a whole and from the current practice of the Board. The nature of the license issued by this Board is discussed more fully in the General Revisor's Note to this title. The General Assembly is invited to consider the distinctive nature of a license under this title.
