

AN ACT concerning

Agriculture - Regulation of Biological Products

FOR the purpose of prohibiting a person from possessing, selling, donating, or distributing a biological product as defined; creating certain exceptions; deleting certain report and recordkeeping requirements relating to the sale, use or donation of biological products; removing the requirement that milk or milk products may not be sold or distributed from an animal treated with a biological product within a certain period; generally relating to the regulation of biological products used in the treatment of poultry and livestock diseases; and renumbering.
