

Psychologists - Licensing

FOR the purpose of changing the certification requirements and procedures for psychologists certified by the State Board of Examiners of Psychologists to requirements and procedures for licensing psychologists; creating a definition of "practice psychology"; requiring that a person must be licensed before practicing psychology; creating certain exceptions to the requirement for a license to practice psychology; changing certain references to certified psychologists to references to licensed psychologists; changing the short title of the Maryland Psychologists Certification Act; providing for licensing of persons presently certified; providing a statement of legislative purpose and intent; making stylistic changes; and generally relating to licensing of psychologists.
