

(5) PLACE OR ADJUST A DENTAL APPLIANCE IN A HUMAN MOUTH; OR

(6) ADMINISTER ANESTHESIA FOR THE PURPOSES OF DENTISTRY AND NOT AS A MEDICAL SPECIALTY.

REVISOR'S NOTE: This subsection is new language derived without substantive change from the first sentence of Art. 32, § 17 -- except the fifth clause of that sentence -- from the last clause of Art. 32, § 25(a), and from Art. 43, § 119(g)(1).

The definition is stated in the infinitive form to permit minor verb variations of the defined phrase, without taking these variations out of the scope of the definition.

In item (2) of this subsection, the language in present Art. 32, § 17(b) that refers to working for any form of remuneration, gratuitously, or otherwise, is deleted as unnecessary.

For the definitions of "dental appliance" and "dental laboratory work" see subsections (c) and (f) of this section.

The balance of present Art. 32, § 17 now appears in § 4-602 of this title.

The balance of present Art. 32, § 25(a) now appears in § 4-402 of this title.

The Commission to Revise the Annotated Code calls to the attention of the General Assembly that, by including within the practice of dentistry the act of being a manager of any place in which a dental service or dental operation is performed intraorally, the legislature unintentionally may have made it unlawful for a dental office to employ a business manager who is not a licensed dentist.
