

THIS TITLE DOES NOT PROHIBIT AN EDUCATIONAL PROGRAM BROADCAST ON RADIO OR TELEVISION BY THE DEPARTMENT OR BY THE HEALTH DEPARTMENT OF A POLITICAL SUBDIVISION OF THIS STATE.

(C) CLINICS.

THIS TITLE DOES NOT APPLY TO A CLINIC MAINTAINED BY A PUBLIC SCHOOL, A STATE OR CHARITABLE INSTITUTION, OR A BUSINESS CORPORATION, FOR ITS PUPILS, INMATES, OR EMPLOYEES IF:

(1) EACH DENTIST THAT THE CLINIC EMPLOYS IS A LICENSED DENTIST; AND

(2) THE SCHOOL, INSTITUTION, OR CORPORATION DOES NOT ADVERTISE CONCERNING DENTISTRY.

REVISOR'S NOTE: This section is new language derived without substantive change from the second clause of the first sentence and the entire second, third, fourth, and fifth sentences of Art. 32, § 18. In addition, standard language is added to reflect more accurately the state of the present law and to conform to the language used in similar provisions in other titles of this article.

In subsection (a)(2) of this section, the present word "surgeon" is deleted as unnecessary, as the word "physician" includes the medical specialist who practices surgery. See the definition of "physician" in § 1-101 of this article.

In subsection (c) of this section, the word "charitable" is substituted for "eleemosynary".

Also in subsection (c) of this section, the words "licensed dentist" are substituted for the words "legally qualified dentists" in light of the definition of "licensed dentist" in § 4-101 of this subtitle.

The Commission to Revise the Annotated Code calls to the attention of the General Assembly that subsection (c) of this section extends the exception for clinics to public schools, charitable institutions, and business corporations, but does not extend the clinic exception to other types of corporations or institutions.

The balance of the first sentence of present Art. 32, § 18 now appears in § 4-301 of this title.
