

SUBJECT TO SUBSECTION (A) OF THIS SECTION, THE BOARD SHALL DETERMINE THE SUBJECTS, SCOPE, FORM, AND PASSING SCORE FOR EXAMINATIONS GIVEN UNDER THIS SUBTITLE.

REVISOR'S NOTE: Subsection (a) of this section is new language derived without substantive change from the second sentence of Art. 43, § 406A(c), as that sentence relates to examination of applicants.

Subsection (b) of this section is standard language added to this and, where necessary, corresponding sections of other titles of this article, as discussed in the General Revisor's Note to this article.

Subsection (c) of this section is new language derived without substantive change from Art. 43, § 406A(f)(3) and (4). In addition, standard language is added to this and, where necessary, corresponding sections of other titles of this article to state expressly that the Board may determine the times and places of the examinations.

Subsection (d) of this section is standard language added to conform with Board practice and with present, similar provisions in Art. 43 that govern examination for licensing for other health occupation boards. It provides an element of fundamental fairness by requiring the Board to give qualified applicants notice before the administration of examinations.

Subsection (e) of this section is derived from Art. 43, § 406A(f)(3) and (4), as that subsection applies to the power of the Board to "prepare" examinations, and revised in the standard language used in other titles of this article.
