

Subsection (b) of this section is new language derived without substantive change from NR § 8-609(b).

In subsection (b) of this section, the term "master plumber" is substituted for "registered master plumber" to conform to the terminology used in Art. 43, §§ 326 through 338C.

For other provisions that relate to the scope of this title see §§ 21-401 and 21-402 of this title.

The first sentence of NR § 8-609(a), which provides that only the Board has authority to issue licenses, is deleted as unnecessary.
