

(I) MAKES A CLINICAL DEMONSTRATION BEFORE A DENTAL SOCIETY, DENTAL CONVENTION, ASSOCIATION OF DENTISTS, OR DENTAL COLLEGE; OR

(II) PERFORMS PROFESSIONAL DUTIES ON A SPECIFIC CASE FOR WHICH THE INDIVIDUAL IS CALLED INTO THIS STATE; OR

(4) A DENTAL ASSISTANT, IF THE DENTAL ASSISTANT:

REVISOR'S NOTE: This section is new language derived from the first sentence of Art. 32, § 1, the first sentence of § 18, except the second clause of that sentence, the second and third sentences of § 20A, and the first sentence of § 27.

Subsection (a) of this section is rephrased in the standard language used throughout this article to state affirmatively that an individual must be licensed to practice a health occupation in this State. See also § 4-601 of this title.

Also in subsection (a) of this section, the term "on a human being" is added to clarify that this title does not affect an individual while practicing dentistry or dental hygiene on animals other than human beings.

Subsection (b)(1), (2), and (3) of this section is derived from the enumeration in present Art. 32, § 18 of individuals who ostensibly are exempt from present Art. 32. The apparent reference in present Art. 32, § 18 to these persons being totally outside the scope of present Art. 32 is not a correct reflection of the legislative intent behind that article, as is made clear by other sections in the article. See, e.g., the requirement in present Art. 32, § 25(c)5 that a dental student may not perform dental laboratory work away from the premises of the school without a work authorization.
