REVISOR'S NOTE: This section is new language derived without substantive change from Art. 32, §§ 6A(b), (c), and (d) and 30(b), (c), and (d).

The references in this section to the Board providing the form for applications for inactive status are new language added to state expressly a provision that presently is only implied and to conform to actual practice.

The term "registration" is used instead of terms such as "inactive license" to avoid creating the false impression that an individual on inactive status may practice in this State.
