

(a) The Board of County Commissioners of Washington County may acquire by purchase, gift, or condemnation any real, personal, or leasehold property, or any interest therein, that is needed in the acquisition, construction, or maintenance of railroad lines in the county.

(b) Before any railroad line is acquired or constructed and before any real, personal, or leasehold property interest is acquired for the purposes of the railroad line, the Board of County Commissioners shall:

(1) Determine, as evidenced by its resolution duly passed, that the railroad line will contribute to the preservation and attraction of [the railroad] industry to the county and will promote economic growth in the county; and

(2) Advertise and hold a public hearing on the acquisition and construction of the railroad line in the same manner the board is required to advertise and hold a public hearing on the purchase of real property for any other public purpose.

(c) In the event that the State of Maryland through any of its departments or agencies determines to build or acquire any such railroad line in Washington County, the Board of County Commissioners may contribute from the general funds of the county such portion of the whole cost of such line as it may determine to be reasonable and proper, before any general funds of the county are expended for any of such purposes. The Board of County Commissioners shall adopt the resolution and hold the public hearing as provided in paragraph (b)(2) of this section.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect July 1, 1981.

Approved May 12, 1981.
