

(2) AN APPROVED STANDARD SUBCONTRACTED WORK AUTHORIZATION FORM THAT IS OF A COLOR DIFFERENT THAN THE STANDARD WORK AUTHORIZATION FORM.

(E) WORK REQUESTS FROM OUTSIDE THIS STATE.

A DENTAL LABORATORY IN THIS STATE MAY DO DENTAL LABORATORY WORK ON THE REQUEST OF A DENTIST LICENSED AND PRACTICING IN ANY OTHER STATE OR A FOREIGN COUNTRY IF THE REQUEST:

(1) IS ON THE FORM THAT THE BOARD REQUIRES OR A REASONABLY EQUIVALENT FORM; AND

(2) OTHERWISE MEETS THE REQUIREMENTS OF THIS SUBTITLE.

REVISOR'S NOTE: This section is new language derived without substantive change from Art. 32, § 25(c)2. -- except the last clause of 2.b. -- the first sentence, the first clause of the second sentence, and the entire fifth sentence of § 25(c)3., and the first sentence, the first clause of the second sentence, and the entire fifth sentence of § 25(c)6.

In subsection (b) of this section, the requirement in present Art. 32, § 25(c)2.f. for the signature of the dentist is deleted as needlessly repetitive of the requirement in subsection (a) of this section that the work authorization be signed by a licensed dentist.

Subsection (e) of this section is revised to state expressly what presently is only implied in the law -- that a dental laboratory may perform dental laboratory work for an out-of-state dentist, but only if the out-of-state dentist uses a form similar to the form approved by the Board and otherwise complies with the requirements of this subtitle.

The Commission to Revise the Annotated Code calls to the attention of the General Assembly that, although there are provisions relating to dental laboratory work requests from outside this State, there are no provisions governing subcontracting that work into or out of this State.
