REVISOR'S NOTE: This section is new language derived without substantive change from the first clause of Art. 32, § 1 and from Art. 32, § 31(a) and the reference in the first half of § 33 to permitting certain violations.

In subsection (a) of this section, the phrases "attempt to practice" and "offer to practice" are new language added to conform to similar provisions governing other health occupations in present Art. 43. See, e.g., as to "attempt" Art. 43, § 489(a), as to podiatrists, and as to "offer" Art. 43, § 768, as to nursing home administrators.

Also in subsection (a) of this section, the term "on a human being" is new language added for clarity. See the revisor's note to § 4-301 of this title.

In subsection (b) of this section, the words "aid or abet" are substituted for "permit" in present Art. 32, § 33, for clarity.

As to the referenced exceptions, see §§ 4-102 and 4-301 of this title.

The balance of present Art. 32, § 33 now appears in § 4-606 of this subtitle.
