(d) (1) Within 30 days after the last public hearing mandated by § 9(b)(1) of the federal act, the Governor shall submit [his] A recommendation for the State's decision to the legislature in the following manner:

(i) If the legislature is convened in regular or special session, the Governor shall submit [his] A recommendation to the legislature for appropriate legislative action.

(ii) If the legislature is not convened in regular or special session, the Governor shall submit [his] A recommendation to the Administrative, Executive, and Legislative Review Committee. Within five days of receipt of the Governor's recommendation and after a public hearing, the Committee shall recommend to the President of the Senate and the Speaker of the House whether the Governor's recommendation should represent the State's decision or whether the legislature should convene in special session to review the Governor's recommendation for appropriate legislative action. However, failure of the Committee to recommend review by the full legislature may not preclude convening of the legislature.

(2) (i) When the full legislature reviews the Governor's recommendation under [subsection (d)] PARAGRAPH (1)(i) or (ii) OF THIS SUBSECTION, the legislature, after a public hearing, may take appropriate legislative action to [either] approve, disapprove, or conditionally approve the pending application.

(ii) In order to modify the Governor's recommendation in any way, the legislature shall take action by joint resolution requiring at least three-fifths vote of each house. The joint resolution shall constitute the State's decision on the pending application.

(iii) If the legislature fails to modify the Governor's recommendation by the 44th day after the last public hearing mandated by the federal act, the Governor's recommendation shall constitute the State's decision on the pending application.

(3) The Governor shall send the State's decision to the federal Secretary no later than 45 days after the last public hearing mandated by the federal act.
