4-1039.

(b) In any area where hydraulic clam dredging is prohibited under [the provisions of this subtitle] § 4-1038(A) OF THIS SUBTITLE the Department may open selected areas if the areas opened are patrolled by natural resources police vessels during dredging operations.

5-1103.

Except as specifically recognized by or provided in [§ 5-1107] § 5-1106 OF THIS SUBTITLE, an owner of land owes no duty of care to keep the premises safe for entry or use by others for any recreational or educational purpose, or to give any warning of a dangerous condition, use, structure, or activity on the premises to any person who enters on the land for these purposes.

5-1104.

Except as specifically recognized by or provided in [§ 5-1107] § 5-1106 OF THIS SUBTITLE, an owner of land who either directly or indirectly invites or permits without charge persons to use the property for any recreational or educational purpose does not by [his] THIS action:

(1) Extend any assurance that the premises are safe for any purpose[,];

(2) [confer] CONFER upon the person the legal status of an invitee or licensee to whom a duty of care is owed[,]; or

(3) [assume] ASSUME responsibility for or incur liability as a result of any injury to the person or property caused by an act of omission of the person.

7-502.

This subtitle is an exercise of the police powers of the State for the general welfare of the people, by providing for the protection and conservation of the natural resources of the State and the improvement of areas of land and communities affected in the mining of bituminous coal by the open-pit, strip mining, or auger mining method. Its purpose is:

(1) [to] TO aid in the protection of wildlife and restore these lands to productive purposes while decreasing soil erosion;
