

Chapter 715, Acts of 1979 was enacted to resolve the many substantive problems contained in the legislation of the previous year, and to restructure the law in the form used by the Commission to Revise the Annotated Code in revising the various health occupations titles. For these reasons, the subtitle enacted by Ch. 851, Acts of 1978 was repealed in its entirety and a completely rewritten subtitle was enacted by Ch. 715, Acts of 1979. (See present Art. 43, §§ 555B-1 through 555B-41 of the Code, which now appear in this title).

Because the present title is already in the form used by the Commission, many of the standard revisor's notes are unnecessary.

As to transitional provisions that relate to the sequence of Boards, see also the uncodified sections of Ch. 851, Acts of 1978, and Ch. 715, Acts of 1979.
