CRYPTS, OR VAULTS.

REVISOR'S NOTE: Subsection (a) of this section is new language added to reflect more accurately the state of the present law and to conform to the language used in similar provisions in other titles of this article.

Subsection (b) of this section is new language derived without substantive change from the last sentence of Art. 43, § 359(a) and from the reference in the second sentence of Art. 43, § 366A(b) to specifically enumerated items not covered by a pre-need contract.

SUBTITLE 2. STATE BOARD OF MORTICIANS.

6-201. BOARD ESTABLISHED.

THERE IS A STATE BOARD OF MORTICIANS IN THE DEPARTMENT.

REVISOR'S NOTE: This section is new language derived without substantive change from Art. 43, § 339.

It is set forth as a separate section for emphasis.

The present reference to the number of members of which the Board is composed is deleted in light of § 6-202 of this title, which specifically enumerates who shall be members of the Board.

With the advice of the Board, the name of the Board is changed for consistency and to reflect that with few exceptions a single license is now issued for what previously were the separate occupations of funeral director and embalmer.

The present phrase "of Maryland" is deleted from the Board title to avoid the use of the duplicative terms "Maryland" and "State" and to correspond with other health occupation board designations used in this article.

The present language that indicates that the powers and duties of the Board are prescribed by the present subtitle entitled "Funeral Directors and Embalmers" is deleted as unnecessary, since the powers and duties of the Board are set out expressly in this title.

6-202. MEMBERSHIP.

(A) COMPOSITION.

(1) THE BOARD CONSISTS OF 12 MEMBERS.
