In subsection (c) of this section, the term "appointed" is added to clarify that the ex officio member is not entitled to additional compensation or reimbursement.

In subsection (d) of this section, the provision allowing employment of "other staff" and requiring that compensation for all staff be "in accordance with the State budget" is new language added to conform to the actual practice of the Board and to corresponding sections in other titles of this article.

As to subsection (a) of this section, an ex officio member is a voting member unless otherwise specified. Therefore, seven members presently are needed to establish a quorum.

As to subsection (c) of this section, Standard State Travel Regulations are adopted by the Department of Personnel with the approval of the Board of Public Works.
