

(b) A license to practice midwifery issued under this subtitle does not authorize a licensee:

(1) To practice medicine, except as otherwise provided by this subtitle;

(2) To prescribe drugs;

(3) To undertake charge of administering care for:

(i) Abnormal cases of pregnancy; or

(ii) A disease that relates to childbirth;

(4) Except under the direction and supervision of a physician, to try to deliver a child if the child is not delivered spontaneously within a reasonable time;

(5) Except under the personal direction and supervision of a physician, to attend a woman in an abnormal case of childbirth; or

(6) To administer a drug to a mother or child at childbirth except:

(i) On the advice of a physician; or

(ii) As a prophylactic against gonococcal ophthalmia neonatorum.]

[7-605.

(a) Subject to the hearing provisions of § 7-313 of this title, the Board may revoke the license of a licensed nurse midwife who is convicted twice of violating any provision of this subtitle.

(b) Subject to the hearing provisions of § 7-313 of this title, the Board shall revoke the license of a licensed nurse midwife who is convicted of producing a criminal abortion or criminally inducing premature labor. The Board may not reinstate or issue a new license to a former licensee whose license has been revoked under this subsection.]

[7-606.

If, while practicing midwifery, a licensed nurse midwife attends a woman who does not deliver a child spontaneously within a reasonable time, the licensed nurse midwife promptly shall notify a physician.]

[7-607.
