

have been issued, or (3) for which a required local permit cannot be issued until one or more State permits have been issued, [shall] MAY file all appropriate applications and appendices with the coordinator, who shall forward copies of the relevant parts of them to each State agency from which a permit is requested. The application shall be accompanied by a certificate that one or more of the conditions enumerated above is true.

63.

(a) A local government shall act upon applications for permits to be issued by it in accordance with the law and procedures applicable to the granting of such permits. [It shall, however,] IF THE LOCAL GOVERNMENT HAS PARTICIPATED IN A JOINT HEARING, IT SHALL give prompt notice of its action to the coordinator, who shall forward it to each State agency that participated in the joint hearing.

(b) Each State agency that has participated in a joint hearing with a local government, shall act PROMPTLY upon the application before it within 60 days after it receives notice that the local government has acted upon the application for the local permit. If the local government has denied the local permit, the State agency may deny its permit for that reason. It may, however, reconsider the application if the local permit is subsequently granted.
