

FOR the purpose of authorizing the issuance of bonds of the Washington Suburban Sanitary District in an aggregate principal amount not exceeding \$5,000,000 for paying the cost of storm water, surface drainage, or flood control projects or systems in the Prince George's County portion of the District, including the payment of any portion of the costs of sanitary sewer or water supply facilities resulting from the construction or planned construction of the storm water, surface drainage, or flood control systems; providing an alternate remedy for flood and storm water conditions, taking into account public interest factors of environmental enhancement, engineering feasibility, and economy of system construction and operation, to pay the cost of acquiring land, interests in land, and structures thereon in flood plains, which property will then be held or transferred to other governmental agencies for public use, with restrictions and limitations against use thereof for habitation, commercial or industrial activity, and to authorize the issuance of notes in anticipation of the issuance of the bonds, and to provide for the payment of the bonds and notes and the interest thereon.

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND, That:

(a) For the purpose of paying the cost of storm water, surface drainage, or flood control projects or systems, and carrying out the provisions of Chapter 526 of the Laws of Maryland of 1943, as amended by Chapter 917 of the Laws of Maryland of 1945, and Chapter 732 of the Laws of Maryland of 1947, with respect to storm water and surface drainage systems, including the cost of any engineering or other surveys of storm water, surface drainage, or flood control needs in that portion of the Washington Suburban Sanitary District situated in Prince George's County, and for the purpose of paying for or towards the construction in that portion of the Washington Suburban Sanitary District of any storm water, surface drainage, or flood control project or system which is the subject of an agreement between the Washington Suburban Sanitary Commission and another governmental or public authority, commission, or agency pursuant to Chapter 228 of the Laws of Maryland of 1959 or any other law, the Washington Suburban Sanitary Commission may issue from time to time bonds of the Washington Suburban Sanitary District as hereinafter provided in an aggregate principal amount not exceeding \$5,000,000 which bonds shall be in addition to any bonds authorized to be issued under any other law for that purpose. For the purpose of providing an alternate remedy for storm water and surface drainage flooding conditions, the Commission may, taking into account public interest factors of environmental enhancement, engineering feasibility, and economy of system construction and operation, acquire by purchase, condemnation, or gift, any land, interests in land, or structures situated thereon which are or may be subject to
