

WATERSHED MANAGEMENT CAPITAL PROJECTS REQUIRING MATCHING FUNDS OF A MINIMUM OF 50 PERCENT.

(4) There is hereby levied and imposed an annual State tax on all assessable property in the State in rate and amount sufficient to pay the principal of and interest on the bonds as and when due and until paid in full, such principal to be discharged within fifteen years of the date of issue of the bonds.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect on July 1, 1980, contingent upon the enactment and taking effect of legislation to authorize the Department of Natural Resources to make grants, requiring matching funds of a minimum of 50 percent, to subdivisions of this State for flood control and watershed management capital projects, and if no such legislation is enacted and becomes effective, this act shall be null and void without the necessity of further action by the General Assembly.

SECTION 2. AND BE IT FURTHER ENACTED, That the provision of this Act relating to the funding of watershed studies shall take effect on July 1, 1981, contingent upon the enactment and taking effect of legislation to authorize the Department of Natural Resources to use and make grants for such studies, and if no such legislation is enacted and becomes effective, that provision of this Act shall be null and void without the necessity of further action by the General Assembly.

Approved May 19, 1981.

CHAPTER 743
(Senate Bill 1053)

AN ACT concerning

Vehicle Laws - Violations

FOR the purpose of clarifying the penalties for violations of certain provisions dealing with motor vehicle registration and certain provisions dealing with driver licensing; clarifying that a person may not drive a motor vehicle of a particular class unless the person is licensed to drive a motor vehicle of that class; clarifying that a person may not drive a motor vehicle in violation of certain provisions dealing with learner's permits; and clarifying that a person may not drive a motor vehicle when that person's license has expired.
