REVISOR'S NOTE: This section is new language derived without substantive change from Art. 43, § 90, § 291(b)(1)(ii) and (c)(vii), and the introductory clause of § 294(a), and from Art. 43, § 294(a)(1), (2), (8), (12), (13), (14), (17), and (18) and the last clause of the fourth sentence and the second clause of the fifth sentence of § 294(d).

Regarding item (1) of this section, present Art. 43, § 90(a), which states that the Board may adopt rules and regulations for licensing midwives and for the practice of midwifery, is deleted as unnecessary in light of the broad general power of the Board to adopt rules and regulations to carry out the provisions of this title.

Items (3) and (4) of this section, which are derived from Art. 43, §§ 291(b)(1)(ii) and 294(a)(2), respectively, may be partially duplicative. In light of the controversial matters involved, only minor changes were made in the revision of the present law. The problem is called to the attention of the General Assembly.

In item (3) of this section, "registered nurse" is substituted for the phrase "nurses licensed under this subtitle" in light of the derivation of item (3) from the present definition of "practice of registered nursing" in present Art. 43, § 291(b).
