

taxing district, or taxing area, inconsistent with the provisions of sections 3-7 through 3-12 are hereby repealed or modified to the extent of such inconsistency.

(b) A drainage plan, system, or design, including any capital improvement program for storm water management, may not be adopted, or any drainage system constructed, except for the protection of an individual's home, by any person, firm, corporation, or municipality, unless the plan or design is in accordance with the six-year capital improvements program of the commission as described in chapter 7 of this [Code] ARTICLE and has been approved by the Washington Suburban Sanitary Commission; provided that in the City of Bowie or in Montgomery County, except for that portion of the City of Takoma Park now situated in Montgomery County, the approval shall be respectively by the City of Bowie or by Montgomery County and not the Washington Suburban Sanitary Commission; provided, however, that whenever the City of Bowie or Montgomery County, prepares a plan, system, or design, or whenever a plan, system, or design has been submitted to the City of Bowie or Montgomery County, a copy of the same shall be submitted to the commission which shall have a specified reasonable time to review and comment thereon to the City of Bowie or Montgomery County to indicate any and all conflicts in the plan, system, or design with the commission's existing or planned water supply or sanitary sewer systems and the approval by Montgomery County or the City of Bowie shall avoid any of the conflicts identified by the commission. When the commission receives a copy of a plan submitted to or by the City of Bowie, it shall promptly provide a copy to the governing body of Prince George's County for review and comment.

(c) If the commission, after review of a plan submitted by the City of Bowie, advises the city that it finds that construction in accordance with the plans will cause stormwater runoff problems in the maintenance of existing Washington Suburban Sanitary Commission facilities or construction and maintenance of planned facilities, the City of Bowie may not authorize the issuance of a permit or authorize construction to begin until such time as the matter is resolved by the parties or, in the alternative, by the court.

(d) Any violation of the provisions of sections 3-7 through 3-12 shall be a misdemeanor, punishable under section 18-7.

3-13. Generally.

(a) The Washington Suburban Sanitary Commission is hereby authorized and directed to adopt, promulgate and revise, from time to time, and enforce rules and regulations governing the cleaning or clearing of, and the removal of stoppages or obstructions in, (all hereinafter referred to as sewer cleaning) sanitary sewer lines, pipes and fixtures
