

no moneys for such purposes may be obtained from Montgomery County's portion of the budget or Montgomery County's portion of unbudgeted funds of the Maryland-National Capital Park and Planning Commission.

(e) A Maryland-National Capital Park and Planning Commission enterprise fund shall be established to finance and account for the maintenance and operation of the marina and boat basin, facilities and appurtenances thereto. The revenues obtained by the Maryland-National Capital Park and Planning Commission from the maintenance and operation of the marina and boat basin, facilities and appurtenances thereto, shall be recorded in such enterprise fund and shall be utilized by the Maryland-National Capital Park and Planning Commission for offsetting various expenditures relating to [said] THE marina and boat basin, facilities and appurtenances thereto, or for other enterprise funds of the Maryland-National Capital Park and Planning Commission's park and recreational facilities located within that portion of the regional district in Prince George's County.

13-7. Generally.

(a) The Washington Suburban Sanitary Commission is hereby designated as the organization in Prince George's County to cooperate or contract with the federal government in any matter relating to any projects for flood control and navigation in the valleys of the Anacostia River and tributaries within Prince George's County; provided, however, that before any such contracts or agreements are entered into with the federal government and before any plans, relating to flood control projects or maintenance or operation thereof, are approved, such contracts, agreements or plans affecting state roads, county roads, or lands within any of the parks and parkways under the jurisdiction of the Maryland-National Capital Park and Planning Commission shall be submitted to the state roads commission, the county commissioners for Prince George's County and the Maryland-National Capital Park and Planning Commission, respectively, for consideration.

(b) Whenever an appropriation shall have been made by the United States of America for the construction in whole or in part of any project for flood control in the valley of the Anacostia River in the vicinity of Bladensburg and adjacent communities in Prince George's County, Maryland, thereupon the county commissioners of Prince George's County, the Washington Suburban Sanitary Commission and the Maryland-National Capital Park and Planning Commission are authorized and directed to issue bonds as hereinafter provided for financing [said] THE flood control and navigation projects.

(1) The county commissioners of Prince George's county are authorized and directed to issue bonds in an amount not exceeding \$1,500,000 in such denominations and for such terms, not exceeding forty years, and at such
