

In accordance with Article II, Section 17 of the Maryland Constitution, today I have vetoed Senate Bill 666.

This bill increases the original State debt authorization for the Washington College Loan Act of 1978 by \$350,000 from \$210,000 to \$560,000. Proceeds of the bonds are to be used to renovate and modify the central heating distribution system on the campus of Washington College.

House Bill 1018, which was enacted by the General Assembly and signed by me on May 19, 1981, accomplishes the same purpose.

Therefore it is unnecessary for me to sign Senate Bill 666.

Sincerely,  
Harry Hughes  
Governor
