The Honorable James Clark, Jr.  
President of the Senate  
State House  
Annapolis, Maryland 21404

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, today I have vetoed Senate Bill 997.

This bill intended to lower the tax on wine made from agricultural products grown in this State.

However, it changed several references to the rate of tax on other alcoholic beverages so as to create an irreconcilable conflict as to what the tax on those beverages would be if the bill became law.

The possible impact of the bill greatly exceeds the original intent of the sponsor.

For these reasons I have decided to veto Senate Bill 997.

Sincerely,  
Harry Hughes  
Governor
