8-302.

(a) The governing body of each district consists of five supervisors.

(b) Each supervisor shall be interested and knowledgeable in conservation of soil, water, and related natural resources. By training and experience, each supervisor shall be qualified to perform the specialized skilled services which are required in performing the duties under this subtitle.

(c) The supervisors shall be appointed in the following manner, and consideration shall be given to representation from farming, forestry, wildlife, and urban interests where appropriate:

(1) One district resident by the county governing body and serving at the pleasure of the county governing body. In those counties with both an executive and a legislative branch of government, the appointment shall be made by the executive and approved by the legislative branch;

(2) One by the Committee from a list of three district residents submitted by the county farm bureau;

(3) One by the Committee from a list of three district residents submitted by the county extension service; and

(4) Two by the Committee from among residents of the district.
