REVISOR'S NOTE: This section is new language derived in part from Art. 43, §§ 911(j) and 919.

In subsection (a) of this section, "practice ... limited occupational therapy" is new language added to conform with the language used throughout this title, and to clarify the licensing requirement for occupational therapy assistants. This addition is called to the attention of the General Assembly.

In subsection (b)(1) of this section, the phrase "while practicing within the scope of that employment" is substituted for the present enumeration of conditions of employment, for brevity.
