

appellate procedures and standards of review of Workmen's Compensation Commission decisions;

(f) The relationships: (1) between the Workmen's Compensation Commission and both the Medical Board and the Division of Labor and Industry, with regard to industrial safety and health; (2) between the Workmen's Compensation Commission and the Division of Vocational Rehabilitation, with regard to the return of disabled workers to gainful employment; and (3) between the Workmen's Compensation Commission and the Medical Board with regard to the evaluation of physical disability and the adjudication of disability due to occupational disease; and

(g) Such other matters as may be related to those enumerated in this paragraph 5 of this Executive Order.

6. The Commission shall recommend changes to the laws of this State governing or relating to workmen's compensation as appear to be in the public interest, and shall submit a report to the Governor, together with appropriate legislative proposals, by October 15, 1982, and on October 15 of each year during which the Commission is in existence. The legislative proposals shall be submitted in the form of a proposed bill.

7. The existence of the Commission shall continue until terminated by executive order.

PROCLAMATION OF JULY 30, 1980

WHEREAS, The State of Maryland and the Commonwealth of Virginia mutually recognize the great significance of the Chesapeake Bay, and seek to conserve and promote this most highly valued natural resource; and

WHEREAS, The General Assembly of the State of Maryland, and the General Assembly of the Commonwealth of Virginia have adopted legislation in furtherance of this purpose; and

WHEREAS, By Chapter 576 and Chapter 674 of the Acts of 1980, the General Assembly of Maryland enacted an
