Bill No. 104-80

AN ACT to establish a special permanent capital revolving fund from which certain volunteer fire, ambulance, and rescue companies may borrow monies to finance the purchase of major firefighting, ambulance and rescue equipment; to finance land acquisition when needed for expansion, location and relocation; to finance the costs for construction, reconstruction, rehabilitation and repair, including architects and engineering fees, for facilities of said companies; to establish procedures for said companies to borrow such monies; to provide for the administration and the disposition of such funds, by adding new subsection (5) to Section 11-28 under Article III. Borrowing Power in Connection With Public Facilities, title "Finance and Taxation" of said code; and by adding new Sections 12-21 through 12-24 to new Article III. to be designated "Capital Revolving Financing Fund - Volunteer Fire, Ambulance and Rescue Companies" under title "Fire Protection" of said code.

WHEREAS, the County recognizes that the service rendered by volunteer fire, ambulance and rescue companies in the County is a valuable public service to its citizens and is an extension of such services provided by the County Fire Department; and

WHEREAS, in further recognition of such service, the County desires to provide financial assistance to said volunteer fire, ambulance and rescue companies so that they may continue to be of service to the public; and

WHEREAS, the County has determined that the creation of the Fund described herein is for a public purpose and for the benefit and protection of the public health, safety and welfare.

Approved June 11, 1980.
