Bill No. 51-76

Chapter 57

AN ACT to add a new Chapter 2B, title "Agricultural Land Preservation" to the Montgomery County Code 1972, as amended, to follow immediately after Chapter 2 thereof, to provide for a system to aid in the preservation of agricultural land in the County by the creation of agricultural districts and an agricultural preservation advisory board providing for powers and duties of the advisory board, the Montgomery County Planning Board, the County Executive, and of the County Council in relation to agricultural districts; defining certain terms; providing for purchase of easements; providing for termination or modification of districts under certain conditions and repurchase of easements; and generally relating to preservation of agricultural land.

Effective Date May 26, 1980.
