

[(b)] (2) The status of implementation programs to achieve water quality standards for the State. Outstanding violations and the status of correction shall be included;

[(c)] (3) The status of interstate compacts and programs of interstate agencies;

[(d)] (4) The status of studies and programs developed under this subtitle;

[(e)] (5) A description and the status of related federal plans and studies; and

[(f)] (6) Other State programs pertaining to water and related land resources. The report will include proposals and recommendations for legislative and administrative action to improve and implement the provisions of this section.

[(c)] (B) The Department of Health and Mental Hygiene and the Department of Natural Resources may cooperate with appropriate units to train technical and associate level personnel needed in the area of water pollution control. For the purpose of this subsection, the Department of Health and Mental Hygiene with the approval of the Department of Natural Resources may enter into any contract with any appropriate institution of higher learning or appropriate unit to develop the needed curricula and support training courses. An annual appropriation may be provided in the budget of the Department of Health and Mental Hygiene for this purpose.

[(d)] (C) The Departments of Natural Resources and Health and Mental Hygiene may conduct studies, surveys, investigations, research, and analyses, and engage consultants to accomplish the purposes of this subsection.

8-1412.

(a) Whenever the Department of Health and Mental Hygiene or, for the purposes of § 8-1406 through [§ 1411.1] § 8-1411.1 of this subtitle, the Department of Natural Resources believes a violation of any provision of this subtitle or any rule or regulation has occurred, it shall cause a written complaint to be served upon the alleged violator. The complaint shall specify the provision of law or rule or regulation allegedly violated and the alleged fact that constitutes the violation. Subsequent to or concurrent with service of the complaint as provided in subsection (c), either department may exercise one of the following options:

(1) Issue an order requiring necessary corrective action be taken within the time prescribed in its order. Any person named in the order may request in writing a hearing before the department not later than ten days
