REVISOR'S NOTE: This section is new language derived without substantive change from Art. 43, § 250(a)(3) and the first half of the first sentence of § 254.

Art. 43, § 250(a)(3) presently appears as part of the definition of "practice of pharmacy". In subsection (a) of this section, the reference to prescriptions "prepared or dispensed" is substituted for the present reference to prescriptions "compounded or dispensed" to conform with the terminology used in the definition of "practice pharmacy" in § 12-101 of this title.

As to the power of the Board to adopt rules and regulations, see § 12-205 of this title.

The second half of the first sentence of Art. 43, § 254, which provides for the inspection of the required records, now appears in § 12-511 of this subtitle.
