

REVISOR'S NOTE: This subsection is new language derived without substantive change from Art. 43, § 604.

The definition is stated in the infinitive form to permit minor verb variations of the defined phrase, without taking these variations out of the scope of the definition.

In paragraph (1) of this subsection, the reference to compensation that is paid "directly or indirectly" is deleted as unnecessary.

In paragraph (3)(ii) of this subsection, the term "radioactive substances" is substituted for the present, limiting reference to "radium" to clarify that all radioactive substances are excluded from the practice of physical therapy.

As to the scope of this subsection, since chiropractors can be licensed by the State Board of Chiropractic Examiners to practice chiropractic and physical therapy, the provisions of this subsection are cross referenced in and apply to Title 3, "Chiropractors", of this article.

(J) RESTRICTED LICENSE.

"RESTRICTED LICENSE" MEANS A LICENSE ISSUED BY THE BOARD UNDER AND AS LIMITED BY § 13-314 OF THIS TITLE TO PRACTICE PHYSICAL THERAPY.

REVISOR'S NOTE: This subsection is new language added to avoid needless repetition of phrases such as "restricted license to practice physical therapy".

For the provisions concerning a restricted license, see § 13-314 of this title.

(K) TEMPORARY LICENSE.

"TEMPORARY LICENSE" MEANS A LICENSE ISSUED BY THE BOARD UNDER AND AS LIMITED BY § 13-313 OF THIS TITLE TO PRACTICE:

- (1) PHYSICAL THERAPY; OR
- (2) LIMITED PHYSICAL THERAPY.

REVISOR'S NOTE: This subsection is new language added to avoid needless repetition of phrases such as "temporary license to practice physical therapy" and "temporary license to practice limited physical therapy".

For the provisions concerning a temporary license, see § 13-313 of this title.
