

As to subsection (d)(2) of this section, the first clause of present Art. 43, § 606(f), which refers to the power of the Board to obtain information on physical therapy, is deleted as an unnecessary specification of an inherent power of the Board.

Also as to subsection (d)(2) of this section, the reference in present Art. 43, § 606(f) to experts and consultants being "paid out of the funds of the Board" is deleted as inaccurate and obsolete. Currently, all funds collected by the health occupation boards that are regulated under this article are part of the General Fund of this State. Therefore, the Board does not have any "funds" of its own.
