REVISOR'S NOTE: This section is new language derived without substantive change from Art. 43, § 488(a) and (b).

The term "limited license" is substituted for the term "temporary license", for clarity, since licenses issued under this section are restricted in scope as well as duration.

In subsection (a) of this section, the phrase "postgraduate clinical training in podiatry or as a podiatric instructor" is substituted for the phrase "intern, resident, or podiatric officer", for clarity and to conform with actual practice.

For a further discussion of this section, see the General Revisor's Note to this title.
