The attention of the General Assembly is called to subsection (a) of this section to determine if the quorum requirement should be four registered sanitarian members. As a consequence of Ch. 702, Acts of 1980 adding a consumer member, the quorum requirement dropped from 4/5 of the authorized Board members to a simple majority of the full authorized membership of the Board.

In subsection (d) of this section, the phrase "staff in accordance with the State budget" is substituted for the phrase "employees necessary to carry out the provisions of this subtitle" to clarify that the Board is entitled to only the staff provided for in the State budget.

As to subsection (c) of this section, Standard State Travel Regulations are adopted by the Department of Personnel with the approval of the Board of Public Works.
