

(6) TO SEND ANY NOTICE THAT THE BOARD IS REQUIRED TO GIVE TO A LICENSEE UNDER THIS TITLE TO THE LAST KNOWN ADDRESS GIVEN TO THE BOARD BY THE LICENSEE.

REVISOR'S NOTE: This section is new language derived without substantive change from Art. 43, § 797(c), the first clause of § 804(1) and § 804(2), (3), (4), and the first sentence of (6), and from Art. 43, § 804(7).

As to item (1) of this section, the reference in the first clause of present Art. 43, § 804(1) to the Board administering, coordinating, and enforcing the provisions of this title is deleted as unnecessary in light of the broad provisions of this item.

In item (2) of this section, the term "code of ethics" is substituted for "ethical standards of practice" to conform to the terminology used in practice and in present Art. 43, §§ 791(8)(vi) and 799(a)(4) -- which now appear in § 2-313(10) of this title.

As to item (2) of this section, the word "publish" is derived from present Art. 43, § 799(a)(4), which authorizes the Board to discipline a licensee for violating the code of ethics established and "published" by the Board.

In item (3) of this section, the present reference to using the seal to "authenticate ... proceedings (of the Board)" is deleted as redundant of Art. 41, § 206(1) of the Code, which requires the office of the Secretary to have its own seal to authenticate copies of records or papers of the Department.

The third and fourth clauses of present Art. 43, § 804(1), which refer to the power and duty of the Board to "evaluate the qualifications of applicants" and "supervise the examination of applicants", are deleted as unnecessary in light of the broader provisions of §§ 2-302 and 2-304, respectively, of this title. The balance of present Art. 43, § 804(1) now appears in §§ 2-206 and 2-312 of this title.

The second sentence of present Art. 43, § 804(6), which provides that copies and certain certificates of Board proceedings, records, and acts are prima facie evidence in State courts, is deleted as unnecessary in light of the provisions on admissibility of § 10-204 of the Courts Article.
