Subsection (d) of this section, which is derived from Art. 43, § 794(a), is revised in the standard language used for comparable notice of examination provisions in other titles of this article.

In subsection (e) of this section, the references to the Board determining the "form" and "passing scores" for examinations administered under this section are added for clarity and to conform to similar references throughout this article.

As to subsection (f) of this section, the present language, which allows an applicant to be reexamined after failing an examination, is rephrased to clarify that the Board may not limit the number of times an applicant may take an examination.
