

REVISOR'S NOTE: This section is new language derived without substantive change from Art. 43, § 796.

The term "limited" license is substituted for "temporary" license for clarity, as licenses issued under this section are restricted in scope as well as duration.

In subsection (a)(1) of this section, the terms "clinical experience" and "employment requirements" are substituted for the term "professional experience" to conform to the terms used in present Art. 43, § 793(a)(3), which now appears as § 19-302(c)(2) of this subtitle.

Subsections (a)(3) and (d)(2) of this section are standard language added to this and, where necessary, corresponding sections of other titles of this article. These additions state expressly provisions that presently are only implied in the law: i.e., that applications for licenses and renewals may be made only on the forms required by the Board.

Subsection (d)(3) of this section is new language added to clarify the authority of the Board to set renewal fees.

As to the authority of the Board to set fees, see § 19-206 of this title.
