

(a) The physician dispenses drugs on a regular basis in the physician's office; and

(b) A pharmacy is not located within a 10-mile radius of the physician's office.

119.

(e) "Physician" means any person, including [doctors] A DOCTOR of osteopathy, licensed to practice medicine in the State of Maryland in compliance with the provisions of [this subtitle] TITLE 14 OF THE HEALTH OCCUPATIONS ARTICLE.

132A.

(a) Notwithstanding any provision of this subtitle OR TITLE 14 OF THE HEALTH OCCUPATIONS ARTICLE to the contrary, no member of any volunteer first-aid, ambulance and rescue squad in Queen Anne's County shall be required to complete any other course or program other than the American Red Cross advanced first-aid program or the emergency medical technicians program.

(f) For purposes of this [subtitle] SECTION, a reimbursement for mileage used to defray the operating and maintenance cost of equipment may not be considered as a charge, fee, or compensation.

133.

(e) The Department of Health and Mental Hygiene and the STATE Board of Pharmacy shall regulate the manufacture, distribution, and sale of amygdalin for use within the State only for the purpose of insuring that the substance is not adulterated, contaminated by microorganisms, or misbranded.

194.

The State Board of Health shall enforce the provisions of §§ 187 to 197, and shall have the power to adopt from time to time, promulgate and publish by circular or otherwise, such general rules and regulations for the enforcement thereof and for the government of the analysts, chemists, inspectors and employees appointed by the said Board as it may deem proper; and said Board may adopt the rules and regulations lawfully adopted from time to time by the Secretary of the United States Department of Agriculture, so far as such rules and regulations may be applicable to the duties of said Board under and to the purposes of §§ 187 to 197. The State Board of Health shall have copies of §§ 187 to 197 printed and shall issue them as far as possible to persons, firms or corporations manufacturing or selling, at wholesale or retail, articles of food or drugs, and shall furnish the same to all persons, firms or corporations requesting them. The State Board of Health shall also enforce the provisions of §§ 315 to 318,
