

uses less than the full amount of sick leave allowable, such unused leave shall be accumulated and shall be available to such employee for sick leave at any time. Nothing in this section may cause an employee to lose any sick leave accumulated as of December 31, 1974. Before receiving any pay for the period of absence, an employee using three or more consecutive working days sick leave in any 30-day period shall present an original certificate signed personally by AN ACCREDITED CHRISTIAN SCIENCE PRACTITIONER OR BY any of the following licensed OR CERTIFIED medical providers: physician, physical therapist, dentist, [or] oral surgeon, [or by any of the following certified medical providers:] clinical psychologist, chiropractor, or podiatrist[, or by an accredited Christian Science practitioner]. The Secretary of the Department of Personnel may advance up to 60 days of sick leave to an employee in any calendar year for a serious disability, ailment or illness.

#### Article 81 - Revenue and Taxes

326.

The tax hereby levied does not apply to the following sales:

(1-1) Sales of hemodialysis drugs and devices sold by registered pharmacists or jobbers, distributors, wholesalers, manufacturers, or other suppliers of hemodialysis drugs and devices permitted by § [270B of Article 43 of the Code] 12-603 OF THE HEALTH OCCUPATIONS ARTICLE, directly to patients who require regular treatment in their homes by a kidney machine because of the permanent loss of the function of their kidneys.

#### Article - Courts and Judicial Proceedings

9-120.

Notwithstanding the provisions of Article 59 or the provisions of any other law, a psychologist certified under the ["Psychologists"] "MARYLAND PSYCHOLOGISTS Certification Act" and qualified as an expert witness may testify on ultimate issues, including insanity, competency to stand trial, and matters within the scope of that psychologist's special knowledge, in any case in any court or in any administrative hearing.

10-205.

(a) Records, reports, statements, notes, or information assembled or obtained by the State Department of Health and Mental Hygiene, the Maryland Commission to Study Problems of Drug Addiction, the Medical and Chirurgical Faculty or its allied medical societies, an in-hospital staff committee, or a national organized medical society or research group, which are declared confidential by § 1-1 [or
