

In subsection (b)(2)(ii) of this section, the terms "any other state" and "the other state" are substituted for the phrase "another state or jurisdiction" in light of the definition of "state" in § 1-101 of this article.

Also in subsection (b)(2)(ii) of this section, the phrase "or any other" state is added to provide expressly that an audiologist who met the licensing requirements in one state, and who then was waived into a second state, then may be waived by the Board into Maryland -- a third state -- on the basis of the license in the second state, which was acquired by waiver on the basis of the licensing requirements in the first state. This provision, which is patterned after comparable provisions in other titles of this article and which conforms with Board practice, allows the Board to give fair consideration under this section to an audiologist who, in the course of that professional career, has moved from one state to another before moving to Maryland to practice here.

#### 2-306. ISSUANCE OF LICENSE.

THE BOARD SHALL ISSUE A LICENSE TO ANY APPLICANT WHO:

- (1) MEETS THE REQUIREMENTS OF THIS TITLE; AND
- (2) PAYS THE LICENSE FEE SET BY THE BOARD.

REVISOR'S NOTE: This section is new language derived without substantive change from the first sentence and -- as it applies to audiologists -- the second sentence of Art. 43, § 795(a).

The provisions of present Art. 43, § 795(a) that relate to speech pathologists now appear in Title 19 of this article. See the General Revisor's Note to this title.

As to the authority of the Board to set fees, see § 2-206 of this title.

#### 2-307. SCOPE OF LICENSE.

A LICENSE AUTHORIZES THE LICENSEE TO PRACTICE AUDIOLOGY WHILE THE LICENSE IS EFFECTIVE.

REVISOR'S NOTE: This section is a standard provision added for clarity to this and, where necessary, other titles of this article.

#### 2-308. TERM AND RENEWAL OF LICENSES.
