

**Article-44B---Housing-Cooperation-and-Aid**

†6B.

(a) It is hereby found and declared that there exists within the area of operation of the housing authority of Baltimore City AND WASHINGTON COUNTY unsafe and unsanitary housing conditions and a shortage of safe and sanitary dwelling accommodations for persons of eligible income; that these conditions necessitate excessive and disproportionate expenditures of public funds for crime prevention and punishment, public health and safety, fire and accident protection, and other public services and facilities; and that the public interest requires the remedying of these conditions.

It is hereby declared that the assistance herein provided for the remedying of the conditions set forth in the Housing Authorities Law constitutes a public use and purpose and an essential governmental function for which public moneys may be spent, and that the provisions hereinafter enacted are necessary in the public interest.
