

(3) "Responding state" means the state furnishing aid, or requested to furnish aid.

(b) Upon request of the governor of a party state for assistance in an emergency, the governor of a responding state shall have authority under this compact to send without the borders of his state and place under the temporary command of the appropriate National Guard or other military authorities of the requesting state all or any part of the National Guard forces of his state as he may deem necessary, and the exercise of his discretion in this regard shall be conclusive.

(c) The Governor of a party state may withhold the National Guard forces of his state from such use and recall any forces or part or member thereof previously deployed in a requesting state.

(d) Whenever National Guard forces of any party state are engaged in another state in carrying out the purposes of this compact, the members thereof so engaged shall have the same powers, duties, rights, privileges, and immunities as members of National Guard forces in such other state. The requesting state shall save members of the National Guard forces of responding states harmless from civil liability for acts or omissions in good faith which occur in the performance of their duty while engaged in carrying out the purposes of this compact, whether the responding forces are serving the requesting state within its borders or are in transit to or from such service.

(e) Subject to the provisions of paragraphs (f), (g), and (h) of this article, all liability that may arise under the laws of the requesting state, the responding state, or a third state on account of or in connection with a request for aid, shall be assumed and borne by the requesting state.

(f) Any responding state rendering aid pursuant to this compact shall be reimbursed by the requesting state for any loss or damage to, or expense incurred in the operation of any equipment answering a request for aid, and for the cost of the materials, transportation, and maintenance of National Guard personnel and equipment incurred in connection with such request: provided, that nothing herein contained shall prevent any responding state from assuming such loss, damage, expense, or other cost.

(g) Each party state shall provide, in the same amounts and manner as if they were on duty within their state, for the pay and allowances of the personnel of its National Guard units while engaged without the state pursuant to this compact and while going to and returning from such duty pursuant to this compact. Such pay and allowances shall be deemed items of expense reimbursable under paragraph (f) by the requesting state.
