6-307.

(a) Any agricultural liming material or gypsum, sold, offered, or exposed for sale in the State, shall have attached to it or be accompanied by an invoice as provided in § [6-306] 6-308 bearing a plainly printed statement giving the following information:

(1) Name of the manufacturer or importer, and the address of his principal office;

(2) Name of the place where manufactured;

(3) Brand or trade name of the material;

(4) Name of the form of the material;

(5) Net weight, if the material is sold in a package;

(6) If in a ground or powdered form, fineness of the material showing the percentage passing the 20 mesh sieve, the 60 mesh sieve, and the 100 mesh sieve;

(7) Minimum percent of oxide of calcium (CaO), and of oxide of magnesium (MgO), and, in the case of gypsum, the minimum percent of calcium sulphate (CaSO₄);

(8) With respect to all burned forms of liming materials, including mixtures of burned and unburned liming materials, a statement of the total maximum percent of oxides, calcium, and oxides of magnesium, which are combined as carbonates.

Article - Commercial Law

12-312.

(c) (1) The amount of property insurance may not exceed either the reasonable value of the property insured or the originally scheduled total of payments under the loan contract. The terms and conditions of the property insurance policy shall be filed with and approved by the Insurance Commissioner. Property insurance may be provided by the lender if the borrower, at the time the loan is made, fails to furnish a loss payable endorsement for the protection of the lender in an amount sufficient to cover the amount of the loan or the value of the property securing
