[(3)] (2) (i) The funds provided by subsection (e)(1) and (2) do not require a local contribution. The funds provided by subsection (e)(1) shall be provided to each subdivision if that subdivision appropriates local funds to the school budget in an amount no less than the product of the full-time equivalent enrollment used in calculating fiscal year 1982 current expense aid times the fiscal year 1981 local contribution on a per pupil basis.

(ii) For the purposes of this paragraph, fiscal year 1981 per pupil local contribution is derived by division of the subdivision's aggregate fiscal year 1981 local contribution to its school budget by the full-time equivalent enrollment used to calculate fiscal year 1981 current expense aid for the subdivision.

(iii) The State Superintendent of Schools shall establish procedures to assure maintenance of effort by the county on a per pupil basis as described in this paragraph.

[(4)] (3) The county superintendent for any county qualifying for funds under subsection (e)(1) shall submit plans for the use of the funds to the State Superintendent and receive the funds only after compliance
