

(d) Federal Act.

"Federal Act" means:

(1) The National Health Planning and Resources Development Act of 1974 (Public Law 93-641);

(2) The Health Planning and Resources Development Amendments of 1979 (Public Law 96-79); and

(3) The rules and regulations adopted under those Acts.

(e) Health care facility.

(1) "Health care facility" means:

(i) A hospital, as defined in § 19-301 of this title;

(ii) A related institution, as defined in § 19-301 of this title;

(iii) A kidney disease treatment facility, as defined by rule or regulation of the United States Department of Health and Human Services;

(iv) An ambulatory surgical facility that:

1. Provides surgical treatment to individuals who do not need overnight hospitalization;

2. Is not part of a hospital; and

3. Is not part of the office of one or more private physicians or dentists or part of any office of the physicians or dentists who are organized as a professional association;

(v) An inpatient facility that is organized primarily to help in the rehabilitation of disabled individuals, through an integrated program of medical and other services provided under competent professional supervision; or

(vi) Any other health institution, service, or program for which the Federal Act requires a certificate of need.

(2) "Health care facility" does not include a hospital or related institution that is operated or is listed and certified by the First Church of Christ, Scientist, Boston, Massachusetts.
