Provided that no State funds within this appropriation shall be expended or positions be established for this purpose except upon the adoption of a resolution by the Board of Public Works certifying that the State has received notification of a final and imminent reduction of significant federal funding as a result of delays in the implementation of this program. The Board of Public Works may not adopt this certification unless all reasonable administrative and judicial remedies have been exhausted to avoid the loss of federal funds. Additionally, it is the intent of the Legislature that no funds shall be expended in payment of claim settlement for this purpose without being appropriated in the annual State budget as prescribed in Article 21, Section 7-104 of the Annotated Code of Maryland.

Federal Fund Appropriation, provided that the expenditure of these funds shall be expended only for the continuation of the current in-house voluntary inspection activities existing as of March 19, 1982. It is the intent of the Legislature that the current voluntary inspection activities shall be
