

session or by the Budget Committees when in session. Transfers of less than not to exceed a total of \$25,000 \$50,000 to effect minor adjustments between the categories of assistance at the end of the fiscal year are excluded from the reporting requirements provided herein.

Provided that the funds included herein for grant increases are approved as necessary for energy assistance because it has been clearly demonstrated that the recent increase in home heating costs of low income residents of Maryland have risen much more quickly than their other costs. These funds appropriated herein may only be used to pay such additional amounts for the home heating needs of public assistance recipients, calculated on a seasonal basis, to be paid in the most administratively efficient manner in accord with all applicable Federal and State laws and regulations.
